In ongoing efforts to diversify and improve the service delivery experience for our customers and partners, HP is today pleased to announce the appointment of LetMeRepair Namibia as an authorized Home Product Service Partner (HPSP) for the in and out of warranty repair of HP's consumer range of notebooks, desktops and accessories.

LetMeRepair Namibia is a subsidiary of LetMeRepair (Pty) Ltd, who were appointed as HP South Africa's subcontracted bench repair partner and commenced repair operations for a broad range of HP's products in December 2007, and as a HPSP in March of 2009. LetMeRepair has since proven themselves to be a most competent and diligent partner during this period, delivering excellent service across the board.

With this appointment as an authorized HPSP, LetMeRepair Namibia is now fully authorized and enabled to deliver the same quality service for HP's range of Pavilion and Compaq Presario notebooks, desktops, monitors and accessories to the Namibian market. LetMeRepair Namibia will be accepting in and out of warranty repairs of the Pavilion and Compaq Presario range of notebooks, desktops, monitors and accessories with immediate effect. The location of their offices is as follows:

**Unit 47
Hyper City,
Maxwell Street,
Windhoek.
Telephone: +264 614 00992
Mobile: +264 81 4245993**

Please note that all other service and repair processes and contact points as previously published will remain in effect.

Sincerely,

Dennis Young
Country Support Manager
Global Consumer Support Operations
South Africa & English-Africa.
